Article 1 The THU Overseas Chinese Student Scholarship Program ("the Program") has been established to assist overseas Chinese students who are financially challenged and committed to their studies or actively involved in community services to successfully complete their education.

Article 2 This Program applies to overseas Chinese students defined by the Executive Yuan's Overseas Chinese Affairs Council under the Regulations Regarding Study and Counseling Assistance for Overseas Chinese Students in Taiwan, excluding graduate students and those who have extended their study period.

Article 3 Students who have passed the previous semester with an average grade and meet one of the following conditions can apply for this scholarship (first-semester freshmen are exempt from providing a grade report):

1. Demonstrated financial hardship with relevant supporting documents.

2. Major family emergencies that have led to financial difficulties.

3. Parents residing in Taiwan with income below the taxable threshold in the previous year.

4. Leadership roles in student organizations or significant contributions to overseas Chinese student activities.

Article 4 Preference is given to students who have not received any other scholarships or financial aid from the Ministry of Education or THU.

Article 5 The scholarship is processed once each semester. Within two months of the semester's start, applicants must submit the required documents to the International Student Affairs Section. After an initial review by the International Student Affairs Section, the applications undergo a final review by the Scholarship Committee before the scholarships are awarded.

Article 6 The amount and number of scholarships awarded are determined based on the university's budget.

Article 7 The regulations herein shall be promulgated upon approval by the Scholarship Committee and the Administrative Affairs Meeting.
